**Xiang Gao**

Recognized as one of the world's most successful violinists and pedagogues, Xiang Gao has solo performed for many world leaders and with 100 plus orchestras worldwide. As the Trustees Distinguished Professor of Violin at the University of Delaware and visiting professor of 4 major universities in China, Professor Gao has also been a renowned performing art administrator since 1997. Hundreds of music students from China and the U.S. annually attend the internationally acclaimed Master Players Music Festival he founded in Delaware. (Mr. Gao is represented by the California Artists Management)
